June 2021

Dear Parishioners of St. Luke's,

Greetings. It was so good to see 200 of you at Mass last weekend. Praise the Lord we can now have 50 people at Sunday Masses and at the daily Masses. We will likely have more people attending soon and possibly back to normal numbers in September. For now, you can register for Masses on Thursday or watch the livestream Mass Sunday at 10:30 am followed by Holy Communion reception. Blessings and greetings to those whom I have not met yet and are not able to attend Mass.

We're now in Ordinary Time where you'll see mostly green vestments and banners. "Ordinary" doesn't mean humdrum, boring, but numbered weeks through to Advent at the end of November. We're all like green plants being nourished by God's Word and the Eucharist. We'll study Jesus' teachings, healings, and miracles. We try to draw closer to God, to be better disciples and change our lives to be more like Jesus.

Part of our growth in holiness is to spend more time with the Lord in prayer and adoration. As we celebrate Corpus Christi Sunday our adoration chapel will be open again 24/7.

Let's pray for a quick end to this pandemic.

God bless you and your families,

Father Edwin Kulling
